

## **SCHOOL CANCELLATION INFORMATION**

As we approach the winter months there are some things that I would like to express in the event of inclement weather. The best way that we can communicate school closings is through our text message system - via Remind. We will ALSO communicate through TV, radio and (if we can) websites. The following TV and Radio Stations will announce when we cancel school due to inclement weather, or you may check the websites listed below. We will do our best to cancel in a manner that's beneficial for all. Please do not text me or the staff to ask if we are having school.

### **RADIO STATIONS:**

WRAN	Shelbyville	98.3 FM
WMKR	Pana	94.3 FM
WTIM	Taylorville	97.3 FM/870 AM
WTRH/WJLY	Ramsey	93.3 FM/ 88.3 FM
WKRV/WPMB	Vandalia	107.1 FM/1500 AM

### **TV STATIONS AND WEBSITES:**

WAND	Decatur Channel 17 ( <a href="http://www.wandtv.com">www.wandtv.com</a> )
KSDK	St. Louis Channel 5 ( <a href="http://www.ksdk.com">www.ksdk.com</a> )

If the weather looks like it will be bad and we are already in session, you will receive a text, and depending on the day, transportation will still be provided to those who are paying for it. We will not have school if there poses a legitimate risk to you or your child's safety. Snow days can easily be made up in the spring, as school is not in session on Fridays in March/April.

Thank you!

Mr. Allen
